## Service Options

**MOBILE (ON-SITE) SHREDDING:** In order for companies to budget for this specialist secure shredding service our charges are made by volume shredded and not time on site. We can supply free lockable consoles for regular collections and our vetted, uniformed staff will destroy your confidential documents whilst at your premises.

**OFF-SITE SHREDDING:** We can supply a range of secure bins for your confidential papers. Using satellite tracked vehicles our security vetted staff will collect your documents and safely transport them back to your local depot. Once shredded at our depot, you will receive a certificate of destruction and your paper will be recycled back into new paper products.
