

during COVID-19 pandemic. 'Perrys Recycling, Security Shredding & Waste to Energy Services are approved Key Worker Status'

GOOD HYGIENE

Use tissues to cover your mouth & nose when you cough or sneeze. Place used tissues in a rubbish bin (or bag) as soon as possible. Wash your hands regularly with soap and water (20secs), alternatively use hand alcohol based sanitizer. Avoid touching eyes, ears and mouth, especially after making deliveries. Wear gloves when possible. Handling waste materials has a low risk of infection, although you should wear gloves and wash hands regularly. Always wash your hands before your eat and as soon as you get home.

CLEAN VEHICLES, MOBILE PLANT & OFFICES

Clean your work area daily or every-time equipment is shared, with soap or detergent in water, or wipes.

Lorries, Vans & mobile plant - handles, hand brake levers, gear sticks, indicator stalks, steering wheel, dash board, buttons, etc.

Plant & equipment - (e.g. balers, shredders, Granulators, Guillotine etc) control panels, buttons, hold handles etc.

Offices - receptions areas, telephones, desks, keyboard/mouse, canteens, toilets etc

SOCIAL DISTANCING

Practice social distancing, is key to stopping the spread of COVID-19. Keep 2 meters (6') apart where ever possible. Certain operations may require two persons (eg. collection crews or equipment maintenance). These to be minimized wherever possible and appropriate PPE (gloves, masks, sanitizer used) plus additional hygiene measures applied, e.g. opening vehicle windows, additional cleaning. etc.

CORONAVIRUS

PROTECT YOURSELF OTHERS & THE NHS

WHILST AT HOME

Only go outside for food, health reasons or work (if you cannot work from home). Do NOT meet others, even friends or family, you can spread the virus even if you don't have symptoms. Stay safe look after your family and work colleagues.

IF YOU ARE SICK

If you're feeling sick and have symptoms of COVID-19, such as a new persistent cough and/or high temperature, you should inform your line manager and stay at home for 7days. If someone you live with has symptoms stay at home for 14days. Follow government advice and contact - www.111.nhs.uk/covid-19

ADMIN & WTN's

Waste Transfer Notes are a legal compliance when collecting recycling & waste from customers. We are allowed to write the customers employee name on the WTN, and issue, minimizing contact and risk.
